G.O.Ms.235 Public(Planning and Development) dated 23-1-56.
Your D.O.D.7/56-1 dated 9-2-56.

With reference to your D.O. letter quoted above, I have to state that Sri H.Narahimsa, the Project Executive Officer, Mangalore can, with some adjustment, attend to both the items of work if he is posted as a Planning Special Deputy Collector. However, in view of the fact that he has to supervise the Project works in the Field also, it will be necessary for him to have somebody to assist him in the Office. In G.O.Ms.No.235 Public(Planning and Development) dated 23-1-1956, it has been stated that the Special Deputy Collector will directly supervise the work of the Special Revenue Inspectors in some Taluks. I have been given 11 Revenue Inspectors and have already asked for an additional Revenue Inspector in my letter Ref:M3:3130/56 dated 2-2-1956 to the Secretary to Government, Public (Planning and Development) Department. Since Sri Narasimha will be in charge of both the items of work, it would only be reasonable to relieve him of this direct supervision over the work of some of the Special Revenue Inspectors in the field also. In order to cater to the supervision of the Special Revenue Inspectors and also the special assistance in the office as mentioned above, I suggest that I may be given an additional Deputy Tahsildar. The idea is that this Deputy Tahsildar will be available for the additional assistance in the Office as well as supervision in the field. If you are agreeable to this, I will submit proposals accordingly to Government as soon as I hear from you.

2. As I have already said, it would be advantageous to me in all respects if Sri Narasimha is posted as the Special Deputy Collector for Planning, as he has got good experience and knowledge of the District. A new man will find it difficult to get to know the problems and the people in the short period available within which I am required to finalise the plan and submit the same to Government.

REFERENCE:

Submitted to Government.

2. The Board agrees with the Collector that Sri H.Narasimha, Project Executive Officer Mangalore may be posted as Special Deputy Collector for the preparation of Village and district plan for the

pto

district and that he may be placed in additional charge till the Project Executive Officer's post is finally wound up. Proposals are being send to Government(Revenue) Department separately. The Board recommends that a Deputy Tahsildar may be sanctioned to work under the Special Deputy Collector for a period of three months.

PLANNING AND DEVELOPMENT -- Second five year plan -- South Kanara District -- Village and District Plans Preparation of-Additional Tahsildar -- Sanction Requested.

Ref:-1. G.O.Ms.No.235-Public (Planning and Development) Department dated 23.1.56.
2. G.O.Ms.No.547 Public (P. & D)Department dated 13.2.56.
3. Revenue Department notification dated 1.3.56.

-:o:-

In the G.O.cited first, the Government have sanctioned the employment of a Deputy Collector, 2 Deputy Tahsildars, 11 Revenue Inspectors, 1 Upper Division Clerk, 1 Lower Division Clerk and 4 peons for work connected with the preparation of village and District plans in this District. In the G.O.cited 2nd one more post of a Revenue Inspector has been sanctioned. The Government have now appointed Sri H. Narasimha, Project Executive Officer, Mangalore to hold full additional charge as additional Personal Assistant to Collector (Planning) in their notification 3rd cited.

2. As Sri H.Narasimha, will continue to supervise the works in Project area also, it is but reasonable that he should be relieved of the responsibility of direct supervision over the work of Special Revenue Inspectors of some taluks as

contemplated in the G.O.cited first. The employment of one more Deputy Tahsildar to Supervise the work of Revenue Inspector's is therefore a real necessity till the Additional Personal Assistant ceases to function as the Project Executive Officer,also. I therefore recommend, that the Government may be pleased to sanction the appointment of an additional Deputy Tahsildar for work connected with the preparation of Village and District plans in this District.

3. In this connection, I submit that I had already represented about this to the Board of Revenue (wide my confidential D.O.No.Camp.4/56 dated 12.2.56 addressed to the Secretary, Board of Revenue). I had also given other reasons for the additional requirement of a Deputy Tahsildar.

4. Under the circumstances I request that early orders may be passed sanctioning one Additional Deputy Tahsildar for planning, to me.

Yours faithfully

For Collector.

ABSTRACT.

PLANNING AND DEVELOPMENT - Second Five Year Plan - South Kanara District - Preparation of District and Village Plan - Additional Staff of Tahsildar - Sanctioned.

G.O.Ms.No. 1133 DATED 21.3.56

READ:-

G.O.Ms.No.235, Public (P&D), dated 23-1-1956.
From the Board of Revenue, letter No. D.1988/56-1, dated 17-2-1956.

ORDER;-

The Government direct that Sri H. Narasimha, Project Executive Officer, Mangalore, shall attend to the work relating to the preparation ~~of Village and District~~ of the Second Five Year Plan for the South Kanara District in addition to his duties as Project Executive Officer. The post of Special Deputy Collector sanctioned for the Planning work in South Kanara District in G.O.Ms.No.235, Public (P&D) dt. 23-1-1956, will be kept in abeyance.

2. In order to relieve Sri H. Narasimha of the responsibility of direct supervision of the work of some of the Special Revenue Inspectors appointed for the Planning Work as contemplated in G.O.Ms.No.235, Public (P&D), 23-1-1956, and/to give him special assistance in office the Collector of S.Kanara has requested that sanction may be accorded to the appointment of an additional Deputy Tahsildar. The Board of Revenue (L.R) has recommended this request. In view of the fact that Sri H. Narasimha will have to attend to both

p.t.o

the Project work and the Planning work, and the final preparation of the Plan will require concentrated work, Sri Narasimha may require greater assistance than a Deputy Tahsildar can give, and the Government, therefore, accordingly sanction the employment, for a period of three months or till the necessity ceases, whichever is earlier, of a Tahsildar for preparing Village and District Plans in S. Kanara District. The Tahsildar will draw pay in the scale of Rs.200-10-300 with usual allowances. The expenditure will be debited to "25. General Administration - District Administration and Miscellaneous."

PUBLIC (P.&.D. II) DEPARTMENT.

Sub:- Planning and Development - Second Five Year Plan - South Kanara District - Additional Staff.

Ref:- From the Board of Revenue, Ref.D.1988/56-1, dated 17th February, 1956.

Please see the Board's reference in the c.f. 23-1-56, orders have been issued directing that the preparation of District and Village Plans should be taken up immediately in the Districts of North Arcot, South Arcot, Tanjore, Tiruchirappalli, Madurai, Tirunelveli and South Kanara and the special staff required for the work has also been sanctioned. The staff sanctioned in the G.O. for the South Kanara District is as indicated below:

Deputy Collector.	..	1
Deputy Tahsildars.	..	2
Revenue Inspectors.	..	11
Upper Division Clerk.	..	1
Lower Division Clerk.	..	1
Peons.	..	4

In view of the small number of Revenue Inspectors sanctioned for the districts, only 2 Deputy Tahsildars were allowed and it was ordered that the special Deputy Collector should directly supervise the work of Special Revenue Inspectors in some taluks.

2. Subsequently the Collector of South Kanara urged the need for appointing one additional Revenue Inspector. This was accepted and orders sanctioning the employment of an additional Revenue Inspector for a period of 3 months were issued in G.O.Ms.No.547, Public (P&D.) Dated 13-2-1956.

3. As regards the posting of the Special Deputy Collector for the Planning work in South Kanara Dt., attention is invited to para-2 of the D.O. at p.1 of (N.) from the Secretary, Board of Revenue. The Collector has stated that Sri H. Narasimha, Project Executive Officer, Mangalore can, with some adjustment,

attend to both the Planning work and the Community Project work which is in the closing stages. He considers that it would be reasonable to relieve Sri Narasimha of the direct supervision of some of the Special Revenue Inspectors referred to at 'X' on p.1 ante. He also considers that the Special Deputy Collector should have somebody to assist him in the office. In view of these he has recommended that an additional post of Deputy Tahsildar may be sanctioned. The Board of Revenue has stated that ~~separately~~ proposals are being submitted separately to the Revenue Department recommending that Sri H. Narasimha may be posted as Special Deputy Collector for the preparation of Village and District Plan and that he may be placed in additional charge of the P.E.O's post till the latter post is finally wound up. Rev. will be requested to take necessary action on this proposal when received by them.

The Board has now recommended that a Deputy Tahsildar may be sanctioned to work under the Special Deputy Collector for a period of 3 months.

~~The~~ Subject to the proposal of the Collector to post to Sri H. Narasimha as Special Deputy Collector for Planning, being accepted by the Government, this Department may perhaps agree to the employment an Addl. of Deputy Tahsildar being sanctioned for the district for a period three months for Planning work. Subject to approval a draft order is submitted. It will be issued after orders posting Sri H. Narasimha as Special Deputy Collector for Planning work in South Kanara District have been issued.

The case may be sent to Revenue and Finance Departments for remarks.

21.2.56 21.2.56

In view of the heavy work in the Planning & P.A. wing and also in the Projects Ex. Officer in the Addl. Spl. Officer in Rev. Subordinate Service may be allowed. I would suggest-

Bom

that he should be a Taluk instead of a Dy Taluk as the final preparation of the Plan will require concentrated work for some time ~~to~~ Sri. Narasimha will probably require greater assistance than a Dy Taluk can give him.

Please see the notes of Finance and Revenue Departments at pp.3-4 ante. The suggestion of Finance at 'N' on p.4 ante may affect the progress of Planning work. It also involves the cancellation of notification posting Sri H. Narasimhan as Addl. Personal Assistant, to the Collector of South Kanara (Planning). It is for consideration, whether the suggestion of Finance at 'N' on p.4 ante may be agreed to.

5.3.56 5/3/56

The only difference between the proposal of Finance & that of this dept. seems to be only nominal. The question is whether (1) Sri Narasimha as P.E.O. will be in full additional charge of the post of Addl. P.A. (Planning) or (2) the P.E.O. will attend to Planning work as part of his duties. The letter

This dept need not object to the second alternative, though it would mean that Sri Narasimha will have no financial incentive for the addl work
